

CARER SUPPORT TEAM

NHS Lanarkshire Carer Support Team

There is an NHS carer support Team within Lanarkshire. This team consists of three acute co-ordinator for carers and two co-ordinator assistants within each of the acute hospitals to support families of people whilst they are in hospital.

North Lanarkshire Carers together and South Lanarkshire Carers Network work within Primary Care to support families and unpaid carers in the community. They also provide staff awareness and support within each of their areas
