Questions

1. The plan has 8 areas that we think are important for the next 10 years.

Do you think these the most important areas?
Yes/ No/ Don't know
If no, what are the most important?

Comments:

2. We have said what we would do to improve mental health.
Do you think there are other things we should do for mental health in Scotland?

Comments:

3. We have said what results we expect.

How do you want mental health services to look in 10 years' time?

Comments:
